

August 2023

Dear Parents,

As we begin a new school year, I wanted to share with you an extra-curricular activity available for your student(s). Starting in September 2023 we will be offering a morning ukulele program for any interested upper elementary students. The ukulele club will be happening in the morning prior to the official start of the school day from 8:00-8:30am. This group is open for participation to all 3rd through 8th grade students and will occur **every other Monday** from **8:00-8:30am**. If you decide to have your student participate there will be a \$2 per student/per session fee. Home and School is helping make this opportunity happen for our students, and they are asking that if your child is going to participate that the fee is paid up front for the school year to Home and School. Home and School will then be paying Mrs. Steuer for her time associated with this group.

2023/2024 School Year Fees (September – May):
\$36 per student for ukulele
(Please make checks payable to Home and School)

Below is a permission slip to be filled out and returned to the school prior to the first rehearsal. We must have this form on file in order to allow your child(ren) to stay and participate in the ukulele club. **Please complete this form and return to the school with payment before September 11, 2023.**
